Dog Years An Illustrated Book About Mental Health by

Dog Years is a book about depression, but it isn't depressing. It's about learning to live with what ails you, and realizing that you're not alone. There's even some bits that are kinda funny. Although it's a personal story about my own experiences, it's also broad enough that it can be applied to many others.

It's a collection of portraits of special dogs that the author spent time with over the years. Here they are. Cookie. No Cookie, no book.
