RELATED BOOK :

Eat Me The Food and Philosophy of Kenny Shopsin Kenny

Amazon Best of the Month, September 2008: The eccentric and engaging food-lit manifesto, *Eat Me: The Food and Philosophy of Kenny Shopsin*, collects the wisdom, rants, and recipes of New York's most legendarily cranky, publicity-hating short-order cook.

Eat Me by Linda Jaivin Goodreads Share book

Eat Me was published in 1995, well and truly the past now, as it's difficult to remember a world in which talking loudly on your Mobile Phone about "E-Mail" made you sound like a wanker. This is women's erotica, mostly food-based and set in Sydney.

Amazon com Eat Me 9780767901598 Linda Jaivin Books

It's sexy at times, and it's funny at times, and Jaivin clearly has potential. But the book, neither memorable nor believable, misses its mark. Although not quite nauseating, "Eat Me" is unappetizing, a bit rough on the digestive system, and nutritionally void.

Book Eat Me Appetite for Design WE AND THE COLOR

Book recommendation: *Eat Me Appetite for Design*, a Viction Workshop publication. Originally published in 2012, this book is still a great source of inspiration. With a focus on both design for food and food inspired design, the book gives amazing insights on how to create appetizing design.

Eat Me by Kenny Shopsin Carolynn Carreno

Now, the notoriously publicity-shy Kenny Shopsin has written a book (with Carolynn Carreno) about the philosophy and history of the restaurant, called *Eat Me: The Food and Philosophy of Kenny Shopsin*, and it, too, is an utterly satisfying, utterly peculiar experience. . . . Shopsin's memoir is like the man: loud, opinionated, warm, exuberant and absolutely delightful. . . . this book is just purely magic.
