Fuzzy concept Wikipedia

A fuzzy concept is a concept of which the boundaries of application can vary considerably according to context or conditions, instead of being fixed once and for all. This means the concept is vague in some way, lacking a fixed, precise meaning, without however being unclear or meaningless altogether. It has a definite meaning, which can be made more precise only through further elaboration

Marital rape Wikipedia

Marital rape or spousal rape is the act of sexual intercourse with one's spouse without the spouse's consent. The lack of consent is the essential element and need not involve violence. Marital rape is considered a form of domestic violence and sexual abuse. Although, historically, sexual intercourse within marriage was regarded as a right of spouses, engaging in the act without the spouse's
