What is a marketing plan definition and meaning

Product specific, market specific, or company-wide plan that describes activities involved in achieving specific marketing objectives within a set timeframe. A market plan begins with the identification (through market research) of specific customer needs and how the firm intends to fulfill them while generating an acceptable level of return. It generally includes analysis of the current market

Marketing plan Wikipedia

A marketing plan may be part of an overall business plan. Solid marketing strategy is the foundation of a well-written marketing plan. While a marketing plan contains a list of actions, without a sound strategic foundation, it is of little use to a business.
