Sensory Seekers and Sensory Avoiders The Thinking Person

When I finally gave in to our psychologist, an embarrassing one year later, and read the book The Out of Sync Child, it became much clearer that my son did indeed have Sensory Processing Disorder and was continually seeking input. I had no idea that SPD included sensory seekers -- I thought that all children with sensory issues were avoiders.

Is it Sensory Behavior or Both The Anonymous OT

Is it sensory or is it behavior? I get this question quite a bit in the clinic. Parents want to know if their child is just messing with them, or if they truly have a sensory processing issue.
