Science Society and Creativity at Middlesex University

What is now Middlesex University was originally a vision for a People's University: A polytechnic that would unite science, society and creativity, theory and practice, gas engineers and sociologists. The dynamic centre for this vision was Enfield College of Technology, a cluster of utilitarian buildings hidden behind houses, factories, shops and public houses on Hertford Road at Ponders End.

How to get rid of gallstones without surgery The Blog of

One of the first patients I saw as a medical student was a nice lady, who presented to the university hospital

outpatient clinic with colicky, cramping abdominal pain. She described the pain as coming on after a meal, and said that it doubled her over with pain. The pain came and went, but had gotten worse over the past few days.
