VaxTruth org Vaccines Did Not Save Us

This article was written and published by Child Heath Safety, used by permission.. This is the data the drug industry do not want you to see. Here 2 centuries of UK, USA and Australian official death statistics show conclusively and scientifically modern medicine is not responsible for and played little part in substantially improved life expectancy and survival from disease in western economies.

VaxTruth org Vaccinations Your Child vs The Greater

The problems with mercury have been known for decades, and it s not just mercury. Aluminum does many of the same things that mercury does. Although according to the University of Calgary video, aluminum does not cause the same level of damage to the microtubules of neurons, this does not mean aluminum is safe.
