This is an interesting book--with the Bears' 1985 season and its key players and coaches at the center of the book. Sometimes, Cohen's own life gets in the way of his narrative, but not so much as to detract from that narrative.

### **Monsters The 1985 Chicago Bears and the Wild Heart of**

Rich Cohen's "Monsters: The 1985 Chicago Bears and the Wild Heart of Football" is many things, and from what I've seen in other reviews that might turn off some readers. The book pretty well bookends as a memoir of Cohen's time growing up in Chicago during the 70s and 80s. (Cohen was born in 1968.)
