The Magus of Hay Rebel Voice

The Magus of Hay is a regular story poorly written. Again, I found it all to be so exasperating that I considered chucking it in the bin. Again, I found it all to be so exasperating that I considered chucking it in the bin.

It's been nearly 40 years since Hay was declared an independent state by its self-styled king--a development seen at the time as a joke, a publicity scam. But behind this pastiche a dark design was taking shape, creating a hidden history of murder and ritual-magic, the relics of which are only now becoming horribly visible.
