As the Crow Flies by Jeffrey Archer Goodreads

As The Crow Flies proves that he hit the ground running and was already a very good storyteller while young. He knows that even if he repeats himself, as long as there are enough new twists to the plot of any of his book, he'll be forgiven, and his works, enjoyed.

As The Crow Flies book by Jeffrey Archer ThriftBooks

As the Crow Flies is undoubtedly the best Archer book I've ever read. In fact, it's the BEST BOOK EVER! ATCF is another one of Archer's novels about ordinary people pursuing great ambitions. Although Kane and Abel is the clear favourite among Archer fans, I have to say that the conflict in ATCF is much clearer and stronger.

The Way the Crow Flies book by Ann Marie MacDonald

A previous reader review compared The Way the Crow Flies to The Lovely Bones. I don't see that at all, the only similarity being the charm bracelet. I thought that this book was more like the book The Little Friend by Donna Tartt, could have been, but wasn't.
