### **Conspiracy Theory Book List 6 Credible Conspiracy Theory**

Conspiracy Theory Book List. The reason we call certain theories about events that have happened a conspiracy is because there is no official backing even though there may be a lot of credible evidence to support it. This makes it float in a purgatory of knowledge we call, conspiracies. There are conspiracy theories about hundreds of single events and entire movements.

Mark Fenster's book attempts to provide a political and theoretical analysis of conspiracy theories and their role in American politics and culture. Fenster takes a surprisingly contrarian view, presenting a (heavily qualified) defense of conspiracy theories as a populist form of rebellion against the oppressive power structures of our society.
