RELATED BOOK :

For Women Only What You Need to Know about the Inner

The book is obviously geared toward married Christian women, of which I'm only half of at this time, but she writes that it could be for any woman to understand men better. Each of the chapters covers topics that men wish they could tell women, but just don't - and after reading them I understand why they don't want to bring these things up.

For Women Only What You Need to Know about the Inner

Women's minds will be opened to a whole new perspective of their husbands, and this book also comes in other versions for men (For Men Only), single women, and single men. What is sad is that after reading this book I now hear women making the same mistakes that I have made that are mentioned in the book.
