Project Management Body of Knowledge Wikipedia

The Project Management Body of Knowledge is a set of standard terminology and guidelines (a body of knowledge) for project management. The body of knowledge evolves over time and is presented in A Guide to the Project Management Body of Knowledge (the Guide to the PMBOK or the Guide), a book whose sixth edition was released in 2017. The Guide is a document resulting from work overseen by the

Project Management PMBOK Communications Management

In this PMBOK area, project managers focus on making sure that stakeholders are understood in terms of their communications needs. It also involves determining what communication outputs will be exchanged over the course of the project (i.e. status updates, minutes of meetings, reports on deliverables etc.).
