First Sight A Novel Danielle Steel 9780385338301

Very interesting book to read, talks about different walks of life . Every book that Danielle Steel writes, has a story. This one is about believing in love at first sight. Very well written, main characters are doing a wonderful job. Got emotional regarding her home for children that is run by the sisters.

First Sight by Danielle Steel Fantastic Fiction

First Sight is as complex and compelling as modern life itself: careers, families, histories, losses, duty, obligation, and fear of losing control and getting hurt. It is a tale of daring to take risks, and losing control just enough to have a life, when the opportunity presents itself.
