Little America Henry Bromell 9780375718915 Amazon com

LITTLE AMERICA is a first-rate psycho-moral drama in the tradition of Conrad, Graham Greene and John Le Carre. High praise, yes but for me this book is up there with the best of them. Fine writing, great characterizations, terrific sense of place, along with an ingenious structure and a strong narrative engine.

Little America by Rajiv Chandrasekaran The New York Times

Little America is a brilliant and courageous work of reportage. Its only weakness is a final chapter that feels more like a grab bag of complaints than a coherent critique.
