Best Oils for Natural Hair Growth 2019 Hair Tips

Natural oils are becoming a trend in beauty products. Many hair care products have emerged today, but some are not recommended for certain hair types. The good news is there are products in the market that cater to many types of hair, particularly the natural hair oils for African American hair. African Americans have natural black hair, and this type of hair has specific needs that only

Essential oil Wikipedia

An essential oil is a concentrated hydrophobic liquid containing volatile (defined as "the tendency of a substance to vaporize") aroma compounds from plants. Essential oils are also known as volatile oils, ethereal oils, aetherolea, or simply as the oil of the plant from which they were extracted, such as oil of clove. An essential oil is "essential" in the sense that it contains the "essence of
