End user license agreement Wikipedia

The term shrink-wrap license refers colloquially to any software license agreement which is enclosed within a software package and is inaccessible to the customer until after purchase. Typically, the license agreement is printed on paper included inside the boxed software. It may also be presented to the user on-screen during installation, in which case the license is sometimes referred to as

License Wikipedia

A license (American English) or licence (British English) is an official permission or permit to do, use, or own something (as well as the document of that permission or permit).. A license can be granted by a party to another party as an element of an agreement between those parties. A shorthand definition of a license is "an authorization to use licensed material".
