Poverty in the United States Wikipedia

Poverty is a state of deprivation, lacking the usual or socially acceptable amount of money or material possessions. The most common measure of poverty in the U.S. is the "poverty threshold" set by the U.S.

government. This measure recognizes poverty as a lack of those goods and services commonly taken for granted

by members of mainstream society. The official threshold is adjusted for

How America's public schools keep kids in poverty TED

Why should a good education be exclusive to rich kids? Schools in low-income neighborhoods across the US, specifically in communities of color, lack resources that are standard at wealthier schools -- things like musical instruments, new books, healthy school lunches and soccer fields -- and this has a real impact on the potential of students.
