### **Promotion marketing Wikipedia**

In marketing, promotion refers to any type of marketing communication used to inform or persuade target audiences of the relative merits of a product, service, brand or issue. The aim of promotion is to increase awareness, create interest, generate sales or create brand loyalty. It is one of the basic elements of the market mix, which includes the four P's ,i.e., Product, Price, Place, Promotion.

### **Promotional merchandise Wikipedia**

Promotional merchandise is products branded with a logo or slogan and distributed at little or no cost to promote a brand, corporate identity, or event. Such products, which are often informally called swag or schwaag or tchotchkes or freebies (count nouns) are used in marketing and sales. They are given away or sold at a loss to promote a company, corporate image, brand, or event.
