There were so many moments in this book that I wanted to scream and dance. I read Silver Shadows in less than 12 hours. As soon as I received it and picked it up I could not put it down.

### **Silver Shadows Bloodlines Series 5 by Richelle Mead**

Silver Shadows is the shortest and most plot specific book in the series. Reading it is like being on a roller coaster and looking out at things as they whip by you. You can see side plots coming and going, but you're hurtling towards the end and can't stop long enough to really take them in.
