Stonewords A Ghost Story by Pam Conrad

"Stonewords: A Ghost Story" by Pam Conrad is a very well written and cliffhanger filled book. I absolutely loved it! The author leaves you wanting to read the second book because the first one was so good. The main character is named Zoe, and so is her mysterious friend. They are both really good friends.

Review i Stonewords A Ghost Story i by Pam Conrad

Best friends, ghosts, time travel and a rickety old staircase---it's the magical ingredients for the adorable plot of Stonewords: A Ghost Story. I must admit, I read this book with a complete bias I remember loving it as a child. My copy of Stonewords has a tattered cover, yellowing pages, and a Lisa Frank sticker inside the back cover. The publishing date and sticker are clues that I probably read this book between the ages of 8 and 10, around the main character's age.
