Enneagram of Personality Wikipedia

History. The origins and historical development of the Enneagram of Personality are matters of dispute. Wiltse and Palmer have suggested that similar ideas to the Enneagram of Personality are found in the work of Evagrius Ponticus, a Christian mystic who lived in 4th century Alexandria. Evagrius identified eight logismoi ("deadly thoughts") plus an overarching thought he called "love of self".

Temperament and the Enneagram David Daniels M D Website

These are remarkable findings, as they identify that there s more to us than how we are nurtured as to who we are and who we become. Also remarkable to me, is that these nine identifiable temperaments align very succinctly with the nine Enneagram patterns as we know them, and each path of development.
