Anne of Avonlea Anne of Green Gables 2 by L M Montgomery

While reading Anne of Avonlea, I didn't find myself asking any such questions or looking forward to anything. The book didn't seem to be leading up to anything as far as Anne was concerned. It read more like a series of situations involving Anne while the I enjoyed Anne of Avonlea but I did not find it as engaging as Anne of Green Gables.

Anne of Green Gables Anne of Avonlea book by L M

L.M. Montgomery paints a wonderful picture of the small town of Avonlea, in Prince Edward Island, Canada, where the story is set. As Anne gets older and more mature, she also gets wiser and more loving - and lovable. I've read this book at least three times, and it is still one of my absolute favorites.
