### **Human Development Reports United Nations Development**

The HDI simplifies and captures only part of what human development entails; it does not reflect on sustainability, inequalities, poverty, empowerment, etc. The 2016 Human Development Report introduced a set of dashboards including Sustainable Development Dashboard which focuses on sustainability in the environmental, economic and social realms. The HDI, when supplemented with data from

### **Human Development Index Wikipedia**

The origins of the HDI are found in the annual Human Development Reports produced by the Human Development Report Office of the United Nations Development Programme (UNDP). These were devised and launched by Pakistani economist Mahbub ul Haq in 1990, and had the explicit purpose "to shift the focus of development economics from national income accounting to people-centered policies".
