Amazon com Customer reviews Jesus Calling Devotional

The devotionals are worded as if Jesus were speaking directly to the reader which is a wonderful point of view. I decided to order the Jesus Calling Devotional Bible and I was not disappointed. I love being able to look up the topics of the devotionals in the topical index, or read a devotional along with a particular scripture I am reading.

Book Review on The Jesus Calling CARM org

The Jesus Calling is a book released in 2004 that is a record of supposed revelations given to its author, Sarah Young, by God during her quiet times of prayer and devotion. It is written from the perspective of Jesus speaking to Sarah. Why? Because she yearned for more from God from what her present prayer life and Scriptures could give her.

Jesus Calling Tim Challies

Jesus Calling is, in its own way, a very dangerous book. Though the theology is largely sound enough, my great concern is that it teaches that hearing words directly from Jesus and then sharing these words with others is the normal Christian experience.
