The Cancer Stage of Capitalism by John McMurtry

The Cancer Stage of Capitalism is an interesting book. The writing style is a little opaque some convoluted sentences and the use of idiosyncratic terms (money-sequence, life-capacities, life-capital, etc.). But once you get the hang of his personal language, the author has some interesting things to say.

Capitalism is a cancer LateStageCapitalism

Yes it is. Professor John McMurtry writes the following in this book The Cancer Stage of Capitalism, which I would recommend you all read. The title of this book is not a provocative metaphor. It is the conceptual outcome

of long personal experience and deep-structural social investigation over 30 years of research across disciplinary boundaries.
