Atomic Dog Wikipedia

"Atomic Dog" is a song by George Clinton from his 1982 album *Computer Games*. The track was released as a single in December 1982 and became the P-Funk collective's last to reach #1 on the U.S. R&B Chart. The single failed to chart on the *Billboard* Hot 100 although it has attained a level of stature since then, partly due to its having been sampled in several hip hop songs.

Future Language Atomic Rockets

In my opinion, a much better choice is the language Lojban. The language has many advantages. The grammar is based on Boolean algebra (it is possible to use a subset of Lojban as a computer programming language).. The letters in Lojban each denote a single phoneme, instead of the multiple phonemes English uses.
