### **Raggedy Ann Stories by Johnny Gruelle Goodreads**

Raggedy Andy is NOT in this book. This book is about Raggedy Ann and some other unmemorable dolls hanging out in a little girl's nursery. Make sure to read the sweet/creepy preface, which talks about how the little girl Marcela was a real person and died horribly young, so her dad decided to write a bunch of stories about a fantasy-land version of her childhood.
