International Criminal Court Wikipedia

The International Criminal Court (ICC or ICt) is an intergovernmental organization and international tribunal that sits in The Hague in the Netherlands. The ICC has the jurisdiction to prosecute individuals for the international crimes of genocide, crimes against humanity, and war crimes. The ICC is intended to complement existing national judicial systems and it may therefore only exercise its

Realism in International Relations

Realism in international relations or what is also referred to as Political Realism, is seen as one of the oldest theories to international relations, and is widely held as a worldview (Pease, 2012: 43). While it is one of the earliest theories, [t]he first coherent expressions of a realist approach to the study of international politics evolved out of the apparent failure of liberal
