So What Do We Think About This The Sartorialist

i think the biggest piece of "awareness" in the fashion industry is how this model would be considered "plus size" or "regular size" when in fact I am sure in real life out of magazines she would be considered to look quite thin or "healthy."

50 'Must Have' Wedding Photography Shots

While I highly recommend adjusting and customizing it for the couple whose wedding you are photographing (if this is all you took you could end up with a somewhat cliched album) it certainly makes a worthwhile starting point for the type of shots you might want to capture on the day.

Film Wikipedia

A film, also called a movie, motion picture, moving picture, or photoplay, is a series of still images that, when shown on a screen, create the illusion of moving images.(See the glossary of motion picture terms.). This optical illusion causes the audience to perceive continuous motion between separate objects viewed in rapid succession. The process of filmmaking is both an art and an industry.
