Romance novel Wikipedia

Although the genre is very old, the romance novel or romantic novel discussed in this article is the mass-market version. Novels of this type of genre fiction place their primary focus on the relationship and romantic love between two people, and must have an "emotionally satisfying and optimistic ending." There are many subgenres of the romance novel, including fantasy, historical romance

Erotic romance novels Wikipedia

Erotic romance novels are stories written about the development of a romantic relationship through sexual interaction. The sex is an inherent part of the story, character growth, and relationship development, and could not be removed without damaging the storyline.

100 Must Read Historical Romances Book Riot

Regency England is probably romance's best known setting, but historical romances span the centuries and continents. With this list, I tried to represent that breadth, but I barely scratched the surface.
