War film Wikipedia

War film is a film genre concerned with warfare, typically about naval, air, or land battles, with combat scenes central to the drama. It has been strongly associated with the 20th century. The fateful nature of battle scenes means that war films often end with them. Themes explored include combat, survival and escape, camaraderie between soldiers, sacrifice, the futility and inhumanity of

The Master Tardis FANDOM powered by Wikia

"The Master" known in female form as "Missy", short for "Mistress", and at times by various other aliases was a renegade Time Lord, originally a friend and longtime opponent of the Doctor. Though they had been friends from childhood and schoolmates at the Academy, the Master's lust for power would eventually pull the two apart.
