The Mortal Instruments Book Series In Order

However, the Mortal Instruments series offers something slightly unique and it appeals to many more readers than most of its competitors, which puts it above the competition. Plus, there is a movie adaptation for the books which offers another way for interested people to get into the series.

Mortal Instruments Series DOGObooks Book Series

The Mortal Instruments series never fail to surprise me, especially this one. Being the third book out of six books, it's really important how the middle of the series goes because it determines how the direction of story would be later.
