Written in a conversational, salon-style manner, The Unschooling Handbook is liberally peppered with anecdotes and practical advice from unschoolers, identified by their first names and home states. The book also includes resources such as one teenager's sample "transcript," a typical weekly log of a third-grader's activities, and helpful lists of magazines, online mailing lists, Web sites, and catalogs.

The Unschooling Handbook Goodreads

Instead of endlessly discussing the principles of unschooling and children's natural desire to learn, the unschooling handbook focuses on what it's like to unschool, including three chapters that describe weeks in the life of three different unschooling families and an extensive list of resources.

The Unschooling Handbook Mary Griffith 9780761512769

Unschooling, a by-product of the widespread homeschooling movement, is a unique approach to education—one that uses children's natural curiosity to propel them into a world of learning. This practical guide reveals the secrets of unschooling success even as it addresses the misconceptions and criticism unschoolers may encounter.
