## RELATED BOOK :

### **Amazon com Writing Fiction For Dummies 9780470530702**

Writing Fiction for Dummies is a wonderful, fairly-detailed outline on how to puke out a novel and form it into something others will want to read, but as I said, he will state a step and move on without bogging you down in theory, which is what I like about this book. Swain's book could be thought of as the deep reference for this Dummies book.

### **Writing Fiction for Dummies by Randy Ingermanson**

I downloaded Writing Fiction for Dummies with some trepidation, figuring that any book with a title like that had to be hack-work. And that it also had to contain tips and advice redundant with every one of the dozens of other books I've read on fiction-writing. I thought that, by now, I'd read about everything to be said on the topic.

### **Writing Fiction For Dummies by Randy Ingermanson Peter**

The writing in Writing Fiction for Dummies is clear, clean, and easy to understand. The authors' conversational style and occasional humor kept me reading. Passages like this one made chuckle out loud: Every author thinks that he is the lone exception and can get away with writing pages of backstory in chapter one because the reader is dying to know it.
