RELATED BOOK :

China Road A Journey into the Future of a Rising Power

Gifford portrays China with affection and humor, in all its complexity, energy, hopefulness, and risk. Andrew J. Nathan, Class of 1919 Professor of Political Science, Columbia University Equal parts Bill Bryson and Jonathan Spence. Gifford is great company and great fun, and China Road is a terrific, highly readable book.

China Road A Journey into the Future of a Rising Power by

With this in mind, I intended to read Gifford s China Road: A Journey into the Future of a Rising Power when it first came out last year. However, my local library did not immediately add it to its collection, so I forgot about the book. Until I read The Geography of Bliss.

Rob Gifford China Road Book Review mostlyfiction com

As it stands China Road is a good read capturing the country s transition from the kowtow to the air kiss in less than a century. But in places the book feels like his NPR radio segment stretched too far.
