Communication between Men and Women CBMW

Gender communication is important in interpersonal interaction and public speaking. The gospel will not be spread, needs will not be met, and new believers will not grow spiritually unless Christian men and women improve their communication skills. The manner of communication can hinder an understanding of the content of the message.

Effective Interpersonal Communication A Practical Guide

One way to do this is to think in terms of the use of self versus skills. Effective interpersonal communication is much more than techniques, skills, or procedures to be mimicked or parroted. Parroting or mimicking is generally viewed as insincere; if one behaves as a robot, most people will sense this.
