The Sleepwalkers Broch novel Wikipedia

The Sleepwalkers (Broch novel) Each is in a sense a sleepwalker, living between vanishing and emerging ethical systems just as the somnambulist exists in a state between sleeping and waking. Together they present a panorama of German society and its progressive deterioration of values that culminated in defeat and collapse at the end of World War I .

The Sleepwalkers Hermann Broch Complete Review

Hermann Broch's novel, The Sleepwalkers, is one of the most remarkable works of modern times. Like Alfred Döblin's November 1918 or Musil's Man without Qualities it is a novel of an epoch. Like Joseph Roth's novels it follows the transformation of Central Europe from its last fin-de-siècle glory to its post-World War I decline.
