### **My Story Illustrated Edition by Marilyn Monroe Ben Hecht**

The autobiography I read was My Story written by Marilyn Monroe. I would overall give this book 4.5 stars. All of the words in this story came from the aspiring actress Marilyn Monroe herself. Marilyn told us what her past was like. She could tell us what she saw through a frightened orphan child's eyes.

And it is the contents of My Story that I want to address here. That Hecht was commissioned by Marilyn's agent, Charles Feldman, to write the book should not detract from the story and the words presented. Neither should the fact that the book did not reach actual publication until 1974.
