Russell Bertrand Metaphysics Internet Encyclopedia of

Bertrand Russell: Metaphysics. Metaphysics is not a school or tradition but rather a sub-discipline within philosophy, as are ethics, logic and epistemology. Like many philosophical terms, metaphysics can be understood in a variety of ways, so any discussion of Bertrand Russell's metaphysics must select from among the various possible ways of understanding the notion, for example, as

Russell Philosophy Pages

One of the earliest practitioners of this method was Bertrand Russell, an English peer who proposed reliance upon logic as the basis for dealing with every other branch of the discipline. Careful re-statement of philosophical problems in precise logical terminology, Russell believed, makes evident their likely solutions.
