### **Car Wikipedia**

A car (or automobile) is a wheeled motor vehicle used for transportation. Most definitions of car say they run primarily on roads, seat one to eight people, have four tires, and mainly transport people rather than goods. Cars came into global use during the 20th century, and developed economies depend on them. The year 1886 is regarded as the birth year of the modern car when German inventor

### **Soiled Sinema**

Not unlike fascist padrone played Robert De Niro in his subsequent epic 1900, the titular character of The Conformist is a mentally and sexually feeble failure that manages to betray his real sole friend in the end. While I do not know all that much about Bertolucci's tendencies toward betrayal, I think it is safe to say simply judging by his films that the auteur was a sexually
