Wow..first time here at Fire Wings..packed! We ordered the Fire, Korean Kick, and Dragon. Fire was not spicy at all lol but it was good. I'd say the Dragon was the best even though it wasn't spicy. Korean Kick was alright and not spicy at all even though it was probably five spot below the spicy level.

Finallly got to try Fire Wings and it definitely lived up to my expectations! I'd say Fire Wings is better than Wingstop or BWW. The chicken wing meat is better and the batter stays crunchy even after being doused in sauce. They also have more sides like garlic noodles, mac and cheese, zucchini sticks, tater tots, and mozzarella sticks.
