Gone Girl by Gillian Flynn Goodreads Share book

Gillian Flynn is an American author and television critic for Entertainment Weekly. She has so far written three novels, Sharp Objects, for which she won the 2007 Ian Fleming Steel Dagger for the best thriller; Dark Places; and her best-selling third novel Gone Girl. Her book has received wide praise, including from authors such as Stephen King.

Gone Girl Reviews 2019 Find the Best Books Influenster

It followed the book extremely well, but not having the full background behind the characters and not being able to read their thoughts significantly stunts the movie, but there is a reason why movies and books are two different mediums!

Amazon com Customer reviews Gone Girl

Gone Girl is gritty, violent, and at times cringeworthy. (Desi's mother's 'signature scent' makes me wrinkle my nose in disgust still.) Gone Girl is uncomfortable. It's not a feel-good story with a happy ending. (Or is it a happy ending? That's open to interpretation.) Gone Girl is original, smart, and staying.

Sandra Danby reviews Gone Girl by Gillian Flynn

Book review: Gone Girl I feel like the last person to read this book by Gillian Flynn. I don't know why I didn't read it earlier, I like clever thrillers, but somehow I just didn't get around to it.

Gone Girl by Gillian Flynn review Children's books

Nick Dunne s wife, Amy, goes missing on their fifth wedding anniversary, and the journey that progresses to find the gone girl herself is maddeningly twisted, to say the least.

Gone Girl Book reviews Find the best new books

Gone Girl is one of the best and most frightening portraits of psychopathy I've ever read. Nick and Amy manipulate each other with savage, merciless and often darkly witty dexterity. This is a wonderful and terrifying book about how the happy surface normality and the underlying darkness can become too closely interwoven to separate.

Review Gone Girl Time com

Gone Girl is a story about men and women who live double lives not because they're secret agents or jewel thieves but because as human beings they're incapable of being who they appear to be.
