# Bag tag Wikipedia

Bag tags, also known as baggage tags, baggage checks or luggage tickets, have traditionally been used by bus, train, and airline carriers to route checked luggage to its final destination. The passenger stub is typically handed to the passenger or attached to the ticket envelope: a) to aid the passenger in identifying their bag among similar bags at the destination baggage carousel;

## Baggage Wikipedia

Baggage or luggage consists of bags, cases, and containers which hold a traveller's articles while the traveler is in transit.. The modern traveller can be expected to have packages containing clothing, toiletries, small possessions, trip necessities, and on the return-trip, souvenirs. For some people, luggage and the style thereof is representative of the owner's wealth.
