Reluctant to Amazing What made the experience of listening to The Reluctant Dom the most enjoyable? I can't read as fast as I would like and love books so audio seemed like the best way to go. Everything the Dom does, it is because the submissive is permitting it, or rather offering the control as long as the Dom proves that he will not take advantage of that gift. http://ebookslibrary.club/download/REVIEW--The-Reluctant-Dom-by-Tymber-Dalton.pdf
