Numbercruncher by Simon Spurrier Goodreads

This was a very enjoyable book. The story was great and the art was great. The separation of color to denote the life and afterlife worked well, and I enjoyed the office chaos and imagery of the afterlife. The story kind of reminds me of a Doctor Who plot. But the characters are more human with relatable motivations. http://ebookslibrary.club/download/Numbercruncher-by-Simon-Spurrier-Goodreads.pdf
