## A Skeleton in the Family by Leigh Perry Goodreads

A Skeleton In The Family is the first book in the Family Skeleton series. Even the author says this is a little off the wall and I have to agree, but I loved it and look forward to more books in this series.

# A Grave Interest Skeletons in the Family Closet

Family secrets and skeletons in the closet are not the same as information that you just were not aware of before. Secrets are kept hidden, on purpose. They are an attempt to withhold information about an event or person because family feels shame and/or fears what others will think.
