Underwraps Women's Kimono Costume Red amazon com

The picture is a little misleading. The sleeves and length of the kimono is a bit shorter than expected. It fit well whenever we put it on, but sadly there was a seam that was ripped open and a few spots on the hem where they had a wad of thread hanging off of it.

Kimono Wikipedia

The kimono (,) is a traditional Japanese garment. Kimono was basically derived from the Chinese hanfu of the Wu region in Jiangnan, China. Kimono (ki: wear + mono: object = "worn object", "object that is worn") means garment and has come to denote these full-length, usually robes. The standard English plural is kimonos, but the unmarked Japanese plural kimono is also used.

Geisha Wikipedia

The word geisha consists of two kanji, (Gei) meaning "art" and (Sha) meaning "person" or "doer". The most literal translation of geisha into English would be "artist", "performing artist", or "artisan". Another name for geisha is Geiko (), which translates specifically as "Woman of Art". This term is used to refer to geisha from Western Japan, which includes Kyoto and Kanazawa.
