### Haiku in English Wikipedia

A haiku in English is a very short poem in the English language, following to a greater or lesser extent the form and style of the Japanese haiku. A typical haiku is a three-line observation about a fleeting moment involving nature.. The first haiku written in English date from the early 20th century, influenced by English translations of traditional Japanese haiku, and the form has grown in

## English Haiku A Composite View British Haiku Society

Haiku originated in Japan, but latterly it has become popular in an increasing number of languages and countries. Yet virtually everywhere where haiku has established itself - and that includes Japan itself - you will find people hallmark it differently. Some see haiku mainly as a kind of poetry, a literary phenomenon. For others, it is a source of philosophical inspiration and in some way
