## Amazon com Customer reviews 1000 Fruit Jars Priced and

I love to can foods and give as gifts. Until this book I didn't realize the value of the jars. Hubby & I canned peaches this past summer and were giving as Christmas gifts. I looked up the value of one jar and found it to be worth over \$20.00! We gave away a jar of peaches with much lesser value, LOL! Small book with LOTS of great details.
